CYPRESS VILLAGE

COMMUNITY INPUT • STRATEGIC PLAN

Help shape the future of our community

We have started updating our strategic plan—a guide for decisions about our community in the near future and over the next five to 10 years. Before we develop that plan, we want to hear from YOU.

Please share your thoughts on these four questions.

1. STRENGTH

What is the ONE thing our community does really well? What makes it a great place to live?

2. WEAKNESS

What is the ONE thing our community could do better or needs to improve?

3. OPPORTUNITY

What is the ONE thing we could do in the future to make our community even better?

4. THREAT

What is the ONE thing that could negatively affect our community in the future if we don't address it?

WHY YOUR INPUT MATTERS

Your feedback will help identify what to preserve, what needs improvement, which opportunities to consider, and what challenges to prepare for. Every perspective is valuable—whether you are a longtime resident or new to the community.
